RG104 E-1 Box 135 Aug-Sep 1885

The Mint of the United States at Philadelphia, Pa.,

MELTER AND REFINER'S DEPARTMENT,

26. Septemb., 1885.

Sir,

In my Report to you yesterday, of the N^os, names, &c. of the employed in my department, I think my foreman put "Melter" opposite the names of Lamb & Brown, because they have been engaged in melting, instead of Provand & Finn. Provand may yet prove a melter. I think also that I inadvertently gave the title of Helper to the one nominated by me yesterday, instead of Crout, who was a melter. I will rewrite the nomination, if you prefer it, inserting Melter

after the name of the Nominee.

Very respectfully

Ja[illegible] C. Booth
